
Declaration of Conformity PPWR

1. **Product Category:** Office and Printing Paper Uncoated Wood Free and its packaging
2. **Company:** The Navigator Company, S.A.
Address: Península da Mitrena - Sado
2910-738 Setúbal • Portugal
3. **Product Identification:** This information is available on the invoices and delivery notes relating to each specific product/delivery and is fully traceable within The Navigator Company's systems.

The conformity assessment was conducted based on supplier declarations, available analytical evidence, and collected technical information demonstrating that the packaging complies with the following requirements:

- i) **Article 5(4) of Regulation (EU) 2025/40 (PPWR):** Minimisation of substances of concern (heavy metals):
Navigator products comply with the heavy metal requirements, as these requirements were already included in the Packaging and Packaging Waste Directive (PPWD) 94/62/EC, as amended by Directive (EU) 2018/852.
- ii) **Article 5(5) of Regulation (EU) 2025/40 (PPWR):** Substances of concern (PFAS / Total Fluorine):
PFAS are not intentionally added during the manufacturing process of Navigator products. Furthermore, these products are not intended for food contact applications.

This information is valid for products delivered by The Navigator Company mills prior to any further converting processes.

The information provided in this statement has been verified as of the date of its publication. This statement remains valid until new information becomes available that justifies its revision.
